## Autobiography

GEORGE WYCHE

We are proud to dedicate this yearbook to Mr. George Wyche, who teaches Mathematics. Mr. Wyche graduated from D. Webster Davis High School and went to Virginia State College from 1946 to 1950. He has a Bachelor of Science degree in Mathematics and has served in the U.S. Army for  $4\frac{1}{2}$  years.

Mr. Wyche is married and has four children. His work experience includes the Southampton County Training School for 5 years, Athletic Director for 8 years, and he has been a great Mathematics teacher at I. C. Norcom High School for 21 years.

We admire Mr. George Wyche for the dedicated service he has given to Norcom and honor him for the outstanding contribution he has made at I. C. Norcom.

### COMMENTS from NORCOMITES!

1. He treats you like a person and not like a student, also he doesn't let you get away with everything.
2. He is a very nice teacher, enjoys joking around, but when he wants you to get your work he means business.
3. He is an outgoing person and is involved in many school activities. He seems to enjoy his work.
4. He not only teaches you about Math in school, but he also teaches you home manners.
5. He's hard and knows his stuff, and is a very good man.

With the aid of the 76-77 Yearbook Staff, we decided that Mr. George Wyche, deserved to be recognized as an outstanding and loyal teacher at I. C. Norcom High School.

We think that he has a most influential effect on the student body. We feel that he has been guiding students and student's parents the right way for many years. And we hope that he will continue to guide students the right way, here at I. C. Norcom for many more years to come.

Respectfully,

Robin Hurdle

Helen Dillahunt

# STUDENT LIFE

Yvette doesn't seem to be paying much attention to what's in front of her!

A busy Greyhound is a happy Greyhound.

A part of one of Norcom's better assemblies.

I. C. Norcom High School  
Is a school of hope,  
happiness, also joy.  
We belong together, like a family.  
We share our secrets and  
moments of love.

Lenora Graham

Think it's about time for Stacy to quit for the day.

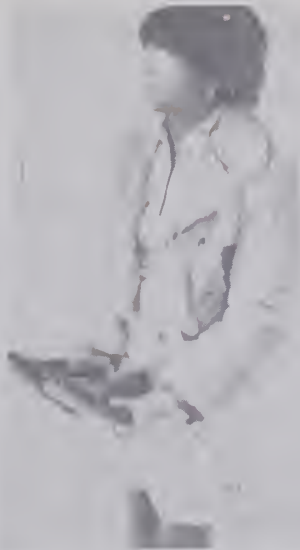

The most used thing besides the desks and chairs.

One of the few times Thomas ever works.

Two of Norcom's prettiest ladies, Robin and Shelly.

One of the better views of some Greyhounds.

All seem to be interested in class except Valerie.

A happy event in our day, a fire drill.

Who else can eat like Wynn Evers!

## Principal's Message

Congratulations to each graduating member of the class of 1977. I trust you have made the decision as to what direction you will take in the years to come. Within your life, plan some time for service to your fellow man. There is no greater satisfaction than to know you have done something to help someone. We certainly hope we have prepared you for your next step in life, however your success in the future will depend on what you put into it. It has been a joy working with you. We thank you for your many contributions to Norcom's success story. May success and happiness ever be yours.

## ASSISTANT PRINCIPAL

I am pleased and honored to express to you my thanks and appreciation. Working with you the past three and a half years has been the most glorious years of my tenure in the Portsmouth School System.

Please continue to display the fine qualities of leadership, citizenship, and scholarship, and the world's greatest Greyhounds will surely become productive, quality citizens of an organized society.

I hope this year has been a rewarding one for you. Each of you has acquired knowledge and skills that will benefit you in your life. The career courses, as well as, the academic courses offered here have been designed to prepare you for a better life.

I have enjoyed working with you throughout the year. To the seniors, I wish you a happy future; to those of you returning next year, I challenge you to always strive to do your best.

# VICA

VICA is concerned primarily with industrial vocational fields such as auto mechanics, carpentry, building construction, electricity, electronics, graphic arts, welding and a host of other vocational areas. In addition, the health occupations, at present are a part of VICA, they represent such jobs as dental assistants, medical lab technicians, nursing aids and x-ray technicians.

In VICA each of the vocational areas has an advisory group from industry that helps the organization in many ways, one of which is providing the expertise and talent required of judges for local, state, and national contest.

The Student Council Association is an elected representative group for the student body of I. C. Norcom High School.

The S.C.A. participated in a Citywide United Fund Drive; the Council spearheaded a Food Drive and provided 11 families each with a basket of canned food, a large turkey and a 10 lb bag of potatoes; at Christmas in an effort to bring joy and spread goodwill throughout the community, Norcom's S.C.A. adopted a deprived family, prepared a meal for them, brought them to dine in the Greyhound Inn, and gave each child at least five gifts.

A Citywide Competitive talent show was sponsored by the S.C.A., and Angela Staton, a Norcomite, was First Place Winner. The St. Patrick's Day Pageant was unique to Norcom this year. For the first time the young men of Norcom were encouraged to develop finer manhood.

# GREYHOUNDS

## GREYHOUNDS IDEALS

Many upper classmen have their own ideas about freshmen. Some good and some bad, but for the most part seniors, juniors, and even sophomores think that the freshmen are different here

These ideas come in the form of freshmen. Some are sweet, too many are fresh, not enough are quiet and too many are spirit-shy. . . But they all have "POTENTIAL" and that's why they are at Norcom!

The Freshmen Class of 1980 is the most outstanding group of young people I would like to be associated with. They have the most spirit in the whole school, and we shall still continue to grow stronger. Norcom has very good taste in choosing us, and they shall not regret.

The majority of us are more mature then some upper-classmen. We have an outstanding goal to build before we reach our Senior year, and we have to be able to overcome most of the unexpected. Freshmen have spirit in what they do, think, hope, and a progressive way in doing it.

## REMARKS

Teresa Washington: Being a freshman at Norcom is truly an honor for a young person whose is about to embark on trying to make his or her dream come true. Even though nineteen-eighty seems sure a long way to go, but it shall be here before anyone will realize it.

Sheila Copeland: To be a freshman here at Norcom means a lot to me because I could not see myself being a freshman at some other high school. Norcom represents tradition & experience! The first name in schools around Portsmouth is I. C. NORCOM. I hope that I can live up to the name MIGHTY GREYHOUNDS!!

# CROSS

# SWIFT RELAY TEAM!!

"S-U-P-E-R, Super, Super, that's what we are!" would most likely be sung by our Cross Country Team. After practicing day after day those persistent and determined young men literally ran away with the Southeastern District's Cross Country Title.

The club was composed of sixteen members. They were Richard Johnson, Danny Gray, Lawrence Dudley, Robin Poindexter, Odell Hall, Larry Jenkins, Marvin Jennings, Arch Arrington, Charles Brockley, Vernon-Chapelle, Charles Grant, Charles Davis, Keith Bynum, Bill Powell, Ernest Goodman, James Brown. The Cross Country club was coached by Mr. Shelton Wilson. We can only hope they will continue with this winning streak next year.

# VARSITY

The 1976-76 Greyhound basketball team had a very satisfying year. They finished with 18 wins and 7 losses and won the Wilson Christmas Tournament, The Semi-District Tournament. The Semi-Final game of the District Tournament against Deep Creek and the Championship game against Cradock were two of the most exciting games of the year. Norcom won both games defeating Cradock 75-73. These tournament wins gave NORCOM the District Championship and a Berth in the Eastern Regionals. The first regional game played against Bay-side of Virginia Beach at Wilson went into overtime before the Greyhounds pulled out the victory, this moved Norcom to the Semi-Finals of the Regionals at Hampton RD. Coliseum and a game with Maury of Norfolk. This proved

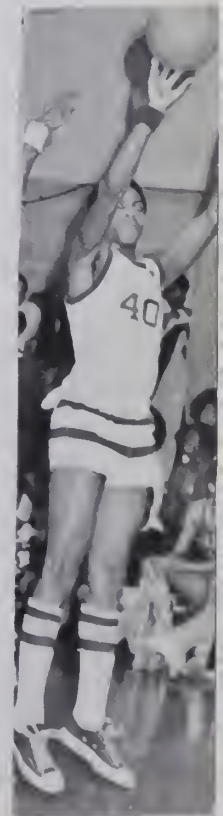

# BASKETBALL

to be the last game for Norcom as they were defeated 75-62.

The entire varsity squad is to be congratulated for a **Job** well done. Special congratulation, to Steve Edwards for his outstanding defensive efforts, to Brarry Wright for earning Berths on the all District, all Metro and all Regional Teams. To Darryl Ferguson for his fine play making and for being named on the second team all District and honorable mention all Region, to Allen Davenport for being one of the top rebounders in the area.

With all but one player returning next year the Greyhounds, with dedication and hard work will be able to look to next year for even a more successful season. COACH GAVIN

# THANK YOU VERY MUCH!

The staff members listed below are the faithful students who worked so hard to make the Yearbook Number ONE!

They all deserve stars beside their names for the long hard hours they worked to put the annual together.

This staff has been the best staff I have ever worked with and they have all earned my respect and admiration. I hope that the future staffs have as much energy and imagination to surpass this one!

With lots of respect,
